

## MID-SIZED LAW FIRM

# PROJECT AND SUPPORT AGREEMENT

PerformLaw works with mid-sized law firms in various capacities. Here is how we do it at a fraction of the cost of the traditional consulting model.

### Project + Ongoing Management Support

In this scenario, we begin working with your firm on a specific project or complex deliverable. Upon completion, your firm can engage us with a monthly management support agreement to receive ongoing support.

*·Project Agreements are priced based on the scope and complexity of the services*

### Management Support

Alternatively, we can combine various elements into a monthly management support agreement and work on them along with other things that come up, as prioritized.

Our base Management Support Agreements are structured as follows: *(minimum 90-day agreement)\**:

- \$325 - one monthly call (no deliverable)
- \$825- one monthly call + a simple deliverable (monthly)
- \$1,150 - bi-weekly call + simple deliverable (monthly)
- \$2,300 - weekly call + two simple deliverables (monthly)

\* With this agreement, you can also send us emails with questions in addition to the calls.

\* Complex deliverables (ex. strategy maps and economic models) are treated as a project and priced separately

\* Per call services with no agreement are \$375 each (no deliverable)

\* Custom plans are available. Call for details.

**\* Actual prices can vary based on the complexity of the agreement.**
